Nairobi festival of Performance and Media Arts is a cross genre platform, which brings artists, students and community to collectively showcase their talent through arts, culture and digital media in conventional and public spaces.

NFPMA is seeking to collaborate with artists, institutions and diverse professional, in infecting the city with intercultural dialogues, reaching reaching local and global audience,under its annual theme,dubbed 'connections'

This year,2015, we shall be working with artists to occupy streets at tom mboya,mama ngina,kenyatte avenue and kenucom bus stage. From wednesday to friday (2-7pm)
