

A night with Larry is an evening to honour Larry Otso, this legendary Ghanaian artist who started his career by making charcoal drawings on the walls. He has become a figure of international renown as a colourist West African artist and had his impact on the international arena by exhibiting in United Kingdom, U.S., Spain, Canada, and Italy.

The event is winding up the Visual Arts Programme organized by the Spanish Embassy last January and through which Mr. Otso was invited to attend ARCO Madrid, one of the most famous fairs of Contemporary Art in the world as well as enjoy an artist residency in Segovia (Spain) in collaboration with Fundación Haic.

The Visual Arts Programme wouldn't have been possible without the support of The Deji Centre for The Study of Contemporary African Art, Nubuke Foundation and the Foundation of Contemporary Art.
